

Erica, please see John Riss' comment about your new designs (below).

Paul, I think both cards are stunning, elegant and very compelling.

Great job, Erica.

I really like your design and how well everything is laid out.

I'm feeling proud to bring this concept / this package to the Oblates meeting.

Many Thanks.

Hi Erica,

Here's email message I just received from Sister Mary Jude:

W-o-o-o-W I love it!

Please tell your artist that she did an outstanding job!

Thank you.

Hello again, Erica.

Here's Joe's response to your design of the Welcome Pkg Card:

First thing I have to say about this is WOW! This is beautiful. This captures everything about the Companions visual brand that we strive for. I can't compliment it more highly. **Tell Erica she continues to knock it out of the park.**

Erica, YOU ROCK!

Your designs in this package are spectacular.

Here's what I wrote to the client:

Hello Joe & Denise,

W-O-W!!!

Honestly, I'm stunned. A lot of painstaking, loving care went into the preparation, instructions and artistic/graphic design of this package, but it's even MORE SPECTACULAR than I envisioned! I've got goose-bumps.

Very nice. I wish everyone was as good as you! We'd get so much more done, so much faster.
